For Immediate Release

Be a Part of the CMMM's 2015 Season

Attend the AGM

On Monday, March 16th, the Clayton McLain Memorial Museum and Archives will hold its Annual General Meeting (AGM) at 7:30 p.m. in the MAAC. The evening's agenda will include our 2015 Annual Report, the nomination of new Board Members and the establishment of committees, as required. We ask that you consider joining us, either as a member of the Board of Trustees or as a Volunteer on one of our Committees.

The CMMM is about stories. It's about collecting the stories that contribute to the historical record of Cut Knife and area. We preserve our stories by documenting the history of an artifact, by caring for it and also by preserving the archival record, as it connects to the mandate of the Museum. However, as important as the collection and preservation of our stories are, we take our public trust responsibility to share these stories just as seriously.

We work at increasing the reach of the Museum through programming and community activities, through social media and marketing campaigns, but all of this requires resources, time and effort; it means people. As we prepare for the 2015 summer season, we invite you to attend the AGM to see where your ideas, knowledge and expertise may be able to assist us. Volunteer a little, volunteer a lot. We appreciate every single minute of your time!

Please note that memberships will be available on site at the MAAC, 201 Railway Avenue, Cut Knife on Monday, March 16 at 7:30 p.m.
